

APCTP SEMINAR

Primordial Black Holes - a few recent topics -

Prof. Misao Sasaki

Kavli IPMU

July 6th (Tue.) 14:00 (KST)
#512, APCTP HQ & ZOOM Webinar

Primordial Black Holes (PBHs) have been attracting a lot of attention in recent years, in particular in connection with gravitational wave (GW) astrophysics/cosmology that has been booming since LIGO's discovery of GWs from a merging black holes in 2015. In this seminar, I will first briefly review PBHs, and discuss a couple of recent topics.

■ ZOOM Webinar

- 1) Please register through this ZOOM link
